

Dear Gideon

I understand the application for 120 Holborn and 12a Leather Lane is being decided by members of Camden Council this evening. The application ref number is 2014/2782/P.

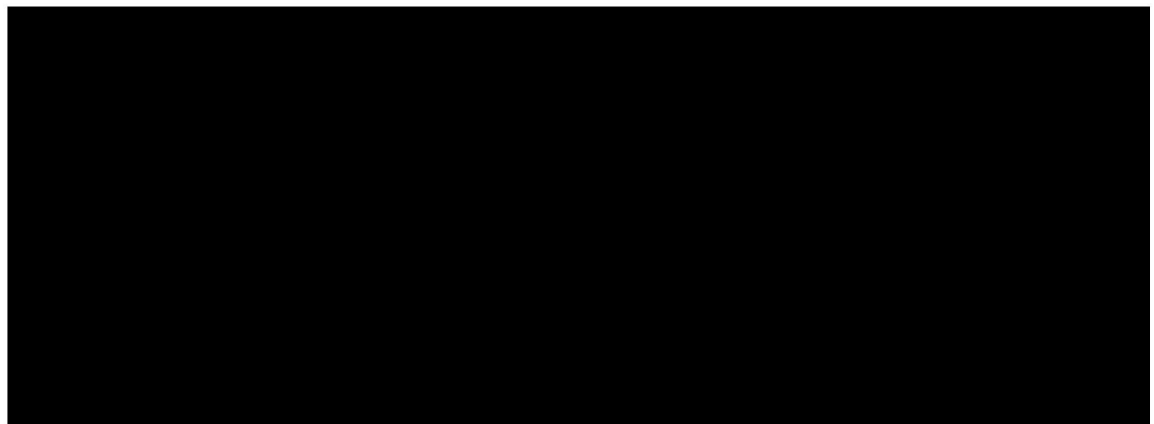

As Chairman of the Gamages Tenants and Residents Association, please can you register my full support for the application. I also represent 23 residents who support the application (out of 28 who responded) the other residents have no interest it seems either way. I would like this to be relayed to members this evening.

This will be a good addition to the local area and I would like to commend the applicant on keeping us updated and informed during the process.

Please can you confirm receipt of this email.

Yours sincerely,

Maria Grandi
