Subject: ref2014/4498/p 14 eldon grove

In yesterdays e mail , I forgot to sign it, so I am now repeating it:

Dear Neil,
we are concerned about the stability and impact to our property, 12 ELDON GROVE NW3
5PT if the excavation at no 14 Eldon Grove goes ahead.

we do feel we need to object to the application. Stephanie and Peter Vogl. We would be
grateful to receive acknowledgment of this e mail.
