Please provide the following information below : tree species (and the number used on the sketch plan) and description of works. Where trees are protected by a TPO you must also provide reasons for the work and, where trees are being felled, please give your proposals for planting replacement trees (including quantity, species, position and size) or reasons for not wanting to replant.

E.g. Oak (T3) - fell because of excessive shading and low amenity value. Replant with 1 standard ash in the same place.

Common Walnut (T16) - Fell due to decay

Red Maple (T17) - Fell due to decay

Discussed with Nick Bell

A sketch plan clearly showing the position of trees listed in Question 7 must be provided when applying for works to trees covered by a TPO.
