2014/6112/T	MRS LORNA FOWLER	4 PRINCESS ROAD CAMDEN NW1 8JJ	21/11/2014 15:45:45	COMMNT	IT IS VITAL THE BACK GARDEN TREES ARE PRUNED BACK. WHEN IN FOLIAGE THEY ROB MY HOUSE OF LIGHT AND OBSTRUCT THE HISTORIC VIEW. THESE TREES WERE ALWAYS A LOW LEVEL SCREEN BETWEEN US AND THE GARDEN OF THE LONDON CLINIC NURSES' HOME. I CAN NO LONGER SEE OVER THE GARDEN FROM EVEN MY TOP 4TH FLOOR WHEN ONCE IT WAS VISIBLE FROM THE KITCHEN ON THE GROUND FLOOR. SOME OF THE TREES WERE ONCE POLLARDED BUT NOT OTHERS WHICH AT THAT TIME HAD PIGEON NESTS IN THEM. SINCE THEN THE REGULAR ANNUAL OR SOMETIMES BI-ANNUAL PRUNING HAS NOT BEEN DONE.BEFORE WE USED JUST TO REMIND THE LONDON CLINIC THAT IT WAS TIME TO PRUNE THE TREES AND THEY SENT A TREE SURGEON WITHIN DAYS. FOR A TIME IT WAS HARD TO GET THE CLINIC TO ACT AS THE PERSON RESPONSIBLE FOR TREES KEPT CHANGING AND THEN I WAS VERY ILL FOLLOWED BY HAVING TO BE IN LANCASHIRE WHERE MY 102 YEAR OLD MOTHER DIED IN JUNE. I REJOICE THAT OUR LIGHT AND VIEW CAN BE RESTORED TO US. ADDITIONALLY THE BIRCH TREE IS UGLY AND MAKES ME ILL-BIRCH IS A TERRIBLE ALLERGEN- AND I AM ALLERGIC TO ITS POLLEN. I'D WILLINGLY BUY A TREE TO REPLACE IT IF IT COULD BE FELLED. INCIDENTALLY AS I HAVE RUNG TO SAY, THIS APPLICATION APPLIES TO THE BACK GARDEN OF VERNON HOUSE,5 ST MARKS SQUARE NOT 11.THAT PROPERTY IS NEXT TO THE CANAL; IT IS 5 WHOSE GARDEN ABUTS MY HOUSE ,4, IN PRINCESS RD AND OTHERS IN THIS ROAD BORDERING IT. Sorry for capitals. I have ticked that I would like to speak at the committee but fear when the moment came I might be too nervous!
