2014/6410/P	S Kanagaratnam	6 Bruges Place Baynes Street NW1 0TE	24/11/2014 23:17:52 INT		There are currently 14 parking spaces along the West side of the West building at Bruges Place, one for each of the existing residences at 1-14 Bruges Place. The proposed Groud Floor Plan shows only 12 with spaces currently owned by nos 13 and 14 being converted to a Bicycle Store. Has the developer agreed the transfer of the parking spaces to the freeholder?
