2014/6672/P	Sarah Banatvala	Flat 6 Allingham Court Haverstock Hill London	22/11/2014 13:35:51	COMMNT	I note this is a application to vary condition 2 of planning permission 2012/5391/P. However, I would like to object to the very proposal to build flats and retail space at 192 Haverstock Hill. I believe it will block light and access to the flats on the side of Allingham Court and be right next to a road which is already difficult to check left and right on before crossing. There are already numerous flats in the area available for buying and rental. This area of Havestock Hill is already overloaded with flats and the construction would create noise and I believe cause issues with access to the tennis court and flats behind the development.
