2014/6882/P	June Gibson	22 Chandos Way London NW117HF.	23/11/2014 02:34:07	COMNOT	<p>There should be at least the entire 1st floor reserved for stock and preparation of it for whomsoever takes the shop; how else could a proprietor manage, especially with provision of the statutory rest room for staff with W.C and wash hand basin? Ideally it should be 2 floors reserved.</p> <p>Basement storage is damp and unsuitable for any stock sold to the public.Mould and pests quickly take over.</p> <p>Reduced to a lock up shop, the premises would be unsuitable for a going concern. I plead that the application as it stands is rejected.</p>
