2014/6972/T	Ara Tachdjian	225 Goldhurst Terrace Flat b London NW6 3EP	23/11/2014 14:29:18	OBJ	<p>We strongly object to the removal of the tree as it is an essential way of maintaining privacy, cutting off the noise from Belsize road, and of course participates to the essential atmosphere of the landscape.</p> <p>It is to be noted that 1 similar tree was removed last year, and agreeing to remove both is a meaningful change to the shape of the neighborhood</p> <p>We would very strongly, again, object to this removal</p> <p>Ara</p>
