Your comments on the planning application

I wish to object to the application for an increase of height in the boundary wall. The height of this wall has already increased since the original application was submitted. If further approval was to be given all natural light would be then blocked from my property. Before the original planning application was submitted I requested for the developer to issue me a Daylight report, this never materialised. I intend to commission a Daylight Report at my own expense and will if necessary peruse this matter through the courts.
