NOW THIS DEED WITNESSETH as follows:-

- 3.1 This Agreement is made in pursuance of Section 106 of the Act, and is a planning obligation for the purposes of Section 106 as aforesaid, and shall be enforceable by the Council against the Owner as provided herein and against any person deriving title to any part of the Property from the Owner and insofar as it is not a planning obligation its provisions may be enforceable by the Council under any relevant statutory powers.
- 3.2 Words importing the singular shall include the plural and vice versa and any words denoting actual persons shall include companies corporations and other artificial persons.
- 3.3 Any reference to a specific statute or statutes include any statutory extension or modification amendment or re-enactment of such statute and any regulation or orders made under such statute.

3.4 The clause and paragraph headings do not form part of this Agreement and shall not be taken into account in its construction or interpretation.

3.5 It is hereby agreed between the Parties that save for the provisions of clauses 1, 2, 3, 5, 6, 7 and 8 hereof all of which shall come into effect on the date hereof the covenants undertakings and obligations contained within this Agreement shall become binding upon the Owner upon the Implementation Date.

3.6 The Council hereby agrees to grant the Planning Permission and the Listed Building Consent on the date hereof.

3.7 The Parties save where the context states otherwise shall include their successors in title.

3.8 The Parties acknowledge that the Development shall be treated as being permanently designated as "car free" housing in accordance with Clause 4.1 for all relevant purposes.

4. **OBLIGATIONS OF THE OWNER**

The Owner hereby covenants with the Council as follows:-

4.1 **CAR FREE**

4.1.1 The Owner hereby covenants with the Council to ensure that prior to occupying any residential unit forming part of the Development each new resident of the Development is informed by the Owner of the Council's policy that they shall not be entitled (unless they are the holder of a disabled persons badge issued pursuant to Section 21 of the Chronically Sick and Disabled Persons Act 1970) to be granted a Residents Parking Permit to park a vehicle in a Residents Parking Bay and will not be able to buy a contract to park within any car park owned, controlled or licensed by the Council.

4.1.2 The Owner for itself and its successors in title to the Property hereby acknowledges that the provision in Clause 4.1.1 above will remain permanently.

4.1.3 On or prior to the Occupation Date the Owner shall inform the Council's Planning Obligations Monitoring Officer of the official unit numbers of the residential units forming part of the Development (as issued and agreed by the Council's Street Name and Numbering Department), identifying those residential units that in the Owner's opinion are affected by the Owner's obligation in Clause 4.1.1 of this Agreement.

4.2 CONSTRUCTION MANAGEMENT PLAN

4.2.1 On or prior to the Implementation Date to provide the Council for approval a draft Construction Management Plan.

4.2.2 Not to Implement nor allow Implementation of the Development until such time as the Council has approved the Construction Management Plan as demonstrated by written notice to that effect (such approval not to be unreasonably withheld or delayed).

4.2.3 The Owner acknowledges and agrees that the Council will not approve the Construction Management Plan unless it demonstrates to the Council's reasonable satisfaction that the Construction Phase of the Development can be carried out safely and with minimal possible impact on and disturbance to the surrounding environment and highway network.

4.2.4 To ensure that throughout the Construction Phase the Development shall not be carried out otherwise than in strict accordance with the requirements of the Construction Management Plan and not to permit the carrying out of any works comprised in demolition or building out the Development at any time when the requirements of the Construction Management Plan are not being complied with and in the event of non compliance with this sub-clause the Owner shall upon notice written from the Council forthwith take any steps required to remedy such non-compliance.

4.3 EDUCATION CONTRIBUTION

4.3.1 On or prior to the Implementation Date to pay to the Council the Education Contribution.

4.3.2 Not to Implement or to permit Implementation until such time as the Council has received the Education Contribution.

4.4 ENERGY EFFICIENCY AND RENEWABLE ENERGY PLAN

4.4.1 On or prior to the Implementation Date to submit to the Council for approval the Energy Efficiency and Renewable Energy Plan.

4.4.2 Not to Implement nor permit Implementation until such time as the Council has approved the Energy Efficiency and Renewable Energy Plan as demonstrated by written notice to that effect (such approval not to be unreasonably withheld or delayed).

4.4.3 Not to Occupy or permit Occupation of the Property until a satisfactory post-completion review has been submitted to and approved by the Council in writing (such approval not to be unreasonably withheld or delayed) confirming that the measures incorporated in the Energy Efficiency and Renewable Energy Plan as approved by the Council have been incorporated into the Property.

4.4.4 Following the Occupation Date the Owner shall not Occupy or permit Occupation of any part of the Development at any time when the Development is not being managed in strict accordance with the Energy Efficiency and Renewable Energy Plan as approved by the Council from time to time (such approval not to be unreasonably withheld or delayed) and shall not Occupy or permit Occupation of the Development otherwise than in strict accordance with the requirements of the Energy Efficiency and Renewable Energy Plan.

4.5 HIGHWAYS

4.5.1 On or prior to the Implementation Date to:-

- (i) pay to the Council the Highways Contribution in full; and
- (ii) submit to the Council the Level Plans for approval (such approval not to be unreasonably withheld or delayed).

4.5.2 Not to Implement or to allow Implementation until such time as the Council has:-

- (i) received the Highways Contribution in full; and
- (ii) approved the Level Plans as demonstrated by written notice to that effect.

4.5.3 For the avoidance of doubt the Owner acknowledges that the Council has the right reserved to it to construct the Public Highway to levels it considers appropriate and does not undertake any responsibility in connection with any required statutory undertakers works and that the Highways Contribution excludes any statutory undertaker's costs.

4.5.4 On completion of the Highway Works the Council shall (upon written request by the Owner) provide to the Owner a certificate specifying the sum ("the Certified Sum") expended by the Council in carrying out the Highway Works.

4.5.5 If the Certified Sum exceeds the Highway Contribution then the Owner shall within fourteen days of the issuing of the said certificate pay to the Council the amount of the excess.

4.6 **PUBLIC OPEN SPACE CONTRIBUTION**

4.6.1 The Owner hereby covenants with the Council on or prior to the Implementation Date to pay to the Council the Public Open Space Contribution.

4.6.2 The Owner hereby covenants with the Council not to Implement or to permit Implementation until such time as the Council has received the Public Open Space Contribution.

4.7 **SUSTAINABILITY PLAN**

4.7.1 On or prior to the Implementation Date to submit to the Council for approval the Sustainability Plan (such approval not to be unreasonably withheld or delayed).

4.7.2 Not to Implement nor permit Implementation until the Sustainability Plan has been approved by the Council as demonstrated by written notice to that effect

4.7.3 Not to Occupy or permit Occupation of the Property until a satisfactory post-completion review has been submitted to and approved by the Council in writing confirming that the measures incorporated in the Sustainability Plan as approved by the Council have been incorporated into the Property.

4.7.4 Following the Occupation Date the Owner shall not Occupy or permit Occupation of any part of the Development at any time when the Development is not being managed in strict accordance with the Sustainability Plan as approved by the Council and shall not Occupy or permit Occupation of the Development otherwise than in strict accordance with the requirements of the Sustainability Plan.

5. **NOTICE TO THE COUNCIL/OTHER MATTERS**

5.1 The Owner shall give written notice to the Council on or prior to the Implementation Date specifying that Implementation of the Development has taken or is about to take place.

5.2 Within seven days following completion of the Development the Owner shall certify in writing to the Planning Obligations Monitoring Officer in the manner outlined at clause 6.1 hereof quoting planning reference 2014/1949/P the date upon which the Development is ready for Occupation.

5.3 The Owner and the Council shall act in good faith and shall co-operate with each other to facilitate the discharge and performance of all obligations contained herein and the Owner shall comply with any reasonable requests of the Council to have access to any part of the Property or any requests to provide documentation within the Owner's possession (at the Owner's expense) for the purposes of monitoring compliance with the obligations contained herein.

5.4 The Owner agrees declares and covenants with the Council that it shall observe and perform the conditions restrictions and other matters mentioned herein and shall not make any claim for compensation in respect of any condition restriction or provision imposed by this Agreement and further shall indemnify the Council for any expenses or liability arising to the Council in respect of breach by the Owner of any obligations contained herein save to the extent that any act or omission of the Council its employees or agents has caused or contributed to such expenses or liability.

5.5 If satisfied as to the compliance of the Owner in respect of any obligation in this Agreement the Council shall (if requested to do so in writing and subject to payment of a fee of £1,000 in respect of each such obligation) provide through its Head of

- Legal Services a formal written certification of compliance, partial compliance or ongoing compliance (as and if appropriate) with the provisions of any such obligation.
- 5.6 Submission of any plan to the Council for approval by the Council under the terms of this Agreement shall be made by the Owner to the Council sending the full document and any appendices in electronic format to the Planning Obligations Monitoring Officer referring to the names dates and Parties to this Agreement and citing the specific clause of this Agreement to which such plan relates quoting the planning reference 2014/1949/P.
- 5.7 Payment of the financial contribution to the Council pursuant to Clause 4 of this Agreement shall be made by the Owner to the Council sending the full amount in the form of a banker's draft to the Planning Obligations Monitoring Officer referring to the names dates and Parties to this Agreement and citing the specific clause of this Agreement to which such Contribution relates quoting reference 2014/1949/P or by Electronic Transfer directly to the Co-Operative Bank plc of 1 Islington High Street London N1 9TR quoting Sort Code 08-90-33 and London Borough of Camden General Account No. 61030019 and to inform the Planning Obligations Monitoring Officer of such payment quoting the above details as if the payment had been made by banker's draft.
- 5.8 All consideration given in accordance with the terms of this Agreement shall be exclusive of any value added tax properly payable in respect thereof and all parties other than the Council shall pay and indemnify the Council against any such value added tax properly payable on any sums paid to the Council under this Agreement upon presentation of an appropriate value added tax invoice addressed to the Owner.
- 5.9 Any sums referred to in this Agreement as payable or to be applied by any party other than the Council under this Agreement shall be paid or applied TOGETHER WITH if such payment or application is made more than three months from the date of this Agreement a further sum ("A") being equal to the original sum payable ("B") multiplied by a figure being a fraction of which the All Items of Retail Prices ("the AIIRP") figure last published by the Central Statistical Office at the date hereof is the denominator ("X") and the last AIIRP figure published before the date such payment

or application is made ("Y") less the last published AIIRP figure at the date hereof ("X") is the numerator so that

$$A = B \times \frac{(Y-X)}{X}$$

5.10 All costs and expenses payable to the Council under this Agreement shall bear interest at the rate of 4% above the Base Rate of the National Westminster Bank plc from time to time being charged from the date such payment is due until payment is made.

6. **IT IS HEREBY AGREED AND DECLARED** by the Parties hereto that:-

6.1 The provisions of Section 196 of the Law of Property Act 1925 (as amended) shall apply to any notice or approval or agreement to be served under or in connection with this Agreement and any such notice or approval shall be in writing and shall specifically refer to the name, date and Parties to the Agreement and shall cite the clause of the Agreement to which it relates and in the case of notice to the Council shall be addressed to the London Borough of Camden, Planning Obligations Officer, Urban Design and Renewal, Planning and Public Protection, Culture and Environment Directorate, Town Hall Annex, Argyle Street, London WC1H 9LP quoting the planning reference number 2014/1949/P and in the case of any notice or approval or agreement from the Council this shall be signed by a representative of the Council's Environment Department.

6.2 This Agreement shall be registered as a Local Land Charge.

6.3 The Owner agrees to pay the Council its proper and reasonable legal costs incurred in preparing this Agreement on or prior to the date of completion of the Agreement.

6.4 The Owner hereby covenants with the Council that it will within 28 days from the date hereof apply to the Chief Land Registrar of the Land Registry to register this Agreement in the Charges Register of the title to the Property and will furnish the Council forthwith on written demand with official copies of such title to show the entry of this Agreement in the Charges Register of the title to the Property.

6.5 Nothing contained or implied in this Agreement shall prejudice or affect the Council's powers to enforce any specific obligation term or condition nor shall anything

contained or implied herein prejudice or affect any provisions, rights, powers, duties and obligations of the Council in the exercise of its functions as Local Planning Authority for the purposes of the Act or as a local authority generally and its rights, powers, duties and obligations under all public and private statutes, bye laws and regulations may be as fully and effectually exercised as if the Council were not a party to this Agreement.

- 6.6 Neither the Owner or the Mortgagee nor their successors in title nor any person deriving title from them shall be bound by the obligations in this Agreement in respect of any period during which it no longer has an interest in the Property but without prejudice to liability for any breach committed prior to the time it disposed of its interest.
- 6.7 For the avoidance of doubt the provisions of this Agreement (other than those contained in this sub-clause) shall not have any effect until this Agreement has been dated.
- 6.8 If the Planning Permission is quashed or revoked or otherwise withdrawn or expires before effluxion of time for the commencement of development or is modified (other than by agreement with or at the request of the Owner) this Agreement shall forthwith determine and cease to have effect and the Council will effect cancellation of all entries made in the Register of Local Land Charges in respect of this Agreement.

7. **MORTGAGEE EXEMPTION**

The Mortgagee hereby consents to the completion of this Agreement and agrees to be bound by it and to the same being registered at the Land Registry as provided in Clause 6.4 hereof and for the avoidance of doubt agrees to be bound by the said obligations only in the event that it becomes a mortgagee in possession of the Property.

8. **RIGHTS OF THIRD PARTIES**

The Contracts (Rights of Third Parties) Act 1999 shall not apply to this Agreement.

THE FIRST SCHEDULE

Construction Management Plan Air Quality and Carbon Reduction

Requirements to control and minimise NO_x, PM₁₀, CO₂ emissions from construction sites and avoid nuisance and dust complaints.

A method statement shall be prepared and adopted as part of the Construction Management Plan to minimise gaseous and particulate matter emissions generated during the Construction Phase. The method statement shall identify the specific measures which will be implemented to control air pollution emissions during each of the following stages of the Construction Phase: (a) demolition; (b) ground breaking; and (c) construction/build.

The Construction Phase shall be carried out in accordance with the Best Practise Guidance Note "Control of dust and emissions from construction and demolition" published by London Councils, 2006. The risk rating of the site shall be defined in the method statement and determined using the risk assessment methodology in the Best Practise Guidance. Techniques to control dust from construction activities and emissions from vehicles and plant, and undertake air quality monitoring, shall conform to the 'medium' or 'high' risk categories outlined in the Best Practice Guidance.

The following best practise measures shall be included as a minimum in the method statement:-

A - Techniques to control PM₁₀ and NO_x emissions from vehicles and plant

- a) Low emission plant fitted with catalysts, diesel particulate filters or similar devices shall be used;
- b) Plant shall be well maintained, with routine servicing of plant and non-road mobile machinery (NRMM) to be completed in accordance with the manufacturers recommendations;
- c) Avoid the use of diesel or petrol powered generators and use mains electricity or battery powered equipment;
- d) Non-road mobile machinery (NRMM) shall use ultra low sulphur tax-exempt diesel and be fitted with appropriate exhaust after-treatment such as catalysts, diesel particulate filters as stated on the approved list managed by the Energy Saving Trust. Details of the plant and control equipment shall be included in the method statement.

- e) All construction vehicles shall comply with the Euro 4 emissions standard and where possible use low emission fuels and alternative technology.
- f) Plant and vehicles shall be located way from the closest receptors or house in closed environments where possible.

B - Techniques to control dust emissions from construction and demolition

- a) Keep site fencing, barriers and scaffolding clean using wet methods;
- b) Buildings to be demolished shall be wrapped
- c) Provide easily cleaned hard standing for vehicles and clean using wet sweeping methods;
- d) Provide the use of wheel-wash facilities near the site exit. Fit wheel-washes with rumble grids to dislodge accumulated dust and mud prior to leaving the site to avoid carrying dust or mud off the site;
- e) Inspect internal haul routes for integrity and instigate necessary repairs to the surface as soon as reasonably practicable;
- f) Routinely clean the Public Highways and accesses using wet sweeping methods especially during dry periods;
- g) Impose and signpost maximum speed limits of 10 mph on surfaced haul routes and work areas within the Site;
- h) Ensure all vehicles carrying loose or potentially dusty material to or from the site are fully sheeted;
- i) Store materials with the potential to produce dust away from site boundaries;
- j) Sheet, seal or damp down stockpiles of excavated material held on site;
- k) Any loose materials brought onto the site shall be protected by appropriate covering
- l) The site shall be dampened down during the working day and again at the end of the day to reduce the amount that is re-suspended dust.
- m) Ensure water suppression is used during demolition operations;
- n) Ensure mobile crushing and screening plant and cement batching plant which are regulated under the Local Air Pollution Prevention and Control regime operate in compliance with a Part B Permit. This shall be submitted to the local authority prior to operation.
- o) Site personnel shall be trained in dust mitigation and a manager shall be present for managing dust on site.

C - Air Quality Monitoring

- a) Throughout the Construction Phase continuous particulate matter (PM10) monitoring shall be undertaken. Two instruments will be deployed at the site boundary in a transect orientated to the prevailing wind direction, with a third monitor located at the nearest sensitive receptor. One monitor shall be co-located with an anemometer.
- b) Adequate quality assurance/quality control procedures shall be in place including monitor maintenance and calibration as well and data checking. PM10 data shall be collected automatically on an hour basis.
- c) A trigger action level for PM10 concentrations of $200\mu\text{g.m}^{-3}$ (15 minute average) shall be used to identify incidences of elevated dust emissions at the site boundary. The development site shall comply with the trigger action throughout the demolition and construction phases.
- d) An on-site alert system (email or SMS) shall be in place to notify appropriate staff that the trigger action level has been reached. Immediate and appropriate measures can be put in place to rectify abnormal particulate emissions. A procedure shall be established to deal with abnormal dust emissions. All incidences of abnormal particulate emissions leading to breaches of the trigger action level, shall be documented in the site log book (date and time), with details of the action take to remediate dust emissions.
- e) An e-mail specifying details of any alert to be sent out to the Council's air quality officer as soon as practicable following any breach of the site trigger action level.
- f) An electronic report shall be submitted to the Council's air quality officer every three months summarising the following information from each monitoring site – 24 hour average PM10 concentration, date and time of any breach of the trigger action level with the 15 minute mean concentration, prevailing wind direction and details of the cause of elevated dust emissions and mitigation measures.
- g) The Council shall be notified of any changes to the location and operation of dust PM10 monitoring instrumentation.
- h) A 24-hour phone hotline shall be set up so that residents can complain about high dust or PM10 levels directly to the developer.

The following items shall be included in the method statement:

- a) A specific timetable identifying the start and finish dates of each phase, including dust generating activities and PM10 monitoring.
- b) An inventory of stationary and fugitive dust, PM10 and NOx emission sources with an explanation of how these will be mitigated in accordance with the London Council's Best Practise Guidance.
- c) A map identifying the location of dust generating activities, plant equipment associated with emissions to air and PM10 monitors.
- d) An air quality monitoring protocol prepared in accordance with the requirements of section C.

D - Techniques to reduce CO₂ emissions from construction vehicles

A commitment from the Owner that contractors' vehicles involved in construction and demolition work will adopt 'green fleet management practices' that will result in a 10% reduction in tail-pipe CO₂ emissions over the duration of the construction phase. A green fleet management plan included in the method statement identifying measures to improve vehicle efficiency and reduce CO₂ emissions from construction vehicles. This could include the use of fuel monitoring equipment in vehicles, eco-driver training, accreditation with FORS (Freight Operator Recognition Scheme run by TfL) or SAFED (Safe and Fuel Efficient Driving run by the DfT) and use of low carbon vehicles such as hybrid electric, electric and bio-methane.

THE SECOND SCHEDULE

Construction Management Plan Highway Measures

A Construction Management Plan outlines how construction work will be carried out and how this work will be serviced (e.g. delivery of materials, set down and collection of skips), with the objective of minimising traffic disruption and avoiding dangerous situations and minimising the impact on local amenity. A Construction Management Plan should cover both demolition and construction phases of development. Details of the Construction Management Plan will relate to the scale and kind and location of the development and they should assess the impact on transport and on local amenity including road user amenity. Should any one of these criteria be considered not to be relevant, then specific justification, as to why that particular criterion is not relevant, will need to be provided. The Construction Management Plan should demonstrate that the following has been considered and where necessary the impacts mitigated:

(Note the term 'vehicles' used here refers to all vehicles associated with the implementation of the development, e.g. demolition, site clearing, delivering of plant, material and construction, staff parking etc)

- a) A brief description of the site, surrounding area and development proposals for which the Construction Management Plan applies.
- b) Proposed start and end dates for each phase of construction.
- c) The proposed working hours within which vehicles will arrive and depart.
- d) The access arrangements for vehicles.
- e) Proposed routes for vehicles between the site and the Transport for London Road Network (TLRN). Consideration should also be given to weight restrictions, low bridges and cumulative affects of construction on the highway. A map of the TLRN can be downloaded from the following site:-
http://www.tfl.gov.uk/assets/downloads/TFL_Base_Map_Master.pdf
- f) Typical sizes of all vehicles and the approximate frequency and times of day when they will need access to the site, for each phase of construction.
- g) Swept path drawings for any tight manoeuvres on vehicle routes to the site.
- h) Details (including accurate scaled drawings) of any highway works necessary to enable construction to take place.
- i) Parking and loading arrangement of vehicles and delivery of materials and plant to the site.

- j) Details of proposed parking bays suspensions and temporary traffic management orders.
- k) Proposed overhang (if any) of the public highway (scaffolding, cranes etc.).
- l) Details of hoarding required or any other occupation of the public highway.
- m) Details of how pedestrian and cyclist safety will be maintained, including any proposed alternative routes (if necessary), and any banksman arrangements.
- n) Details of how traffic associated with the Development will be managed in order to reduce congestion.
- o) Details of any other measures designed to reduce the impact of associated traffic (such as the use of construction material consolidation centres).
- p) Details of how any significant amounts of dirt or dust that may be spread onto the public highway will be cleaned or prevented.
- q) Details of consultation on a draft Construction Management Plan with local residents, business, local groups (e.g. residents/tenants and business associations) and Ward Councillors. Details should include who was consulted, how the consultation was conducted and the comments received in response to the consultation. In response to the comments received, the Construction Management Plan should then be amended where appropriate and where not appropriate a reason should be given why not. The revised Construction Management Plan should also include a list of all the comments received. You are advised to check your proposed approach to consultation with the Council before carrying it out.
- r) Details of any Construction Working Group that will be set up, addressing the concerns of surrounding residents, as well as contact details for the person responsible for community liaison on behalf of the developer, and how these contact details will be advertised to the community.
- s) Details of any schemes such as the "Considerate Contractors Scheme" that the project will be signed up to should form part of the consultation and be notified to the Council. Contractors will also be required to follow the "Guide for Contractors Working in Camden" also referred to as "Camden's Considerate Contractor's Manual"
- t) Details of other construction sites in the local area and how your Construction Management Plan takes into consideration the cumulative effects of construction local to your site.
- u) All contractors and sub-contractors operating HGVs must meet all of the following conditions:-

- 1) Operators must be a member of TfL's Fleet Operator Recognition Scheme (www.tfl.gov.uk/fors) or similar at the Bronze level.
- 2) All drivers must have undertaken cycle awareness training such as the Safe Urban Driver module through FORS or similar.
- 3) All vehicles associated with the construction of the Development must:
 - i. Have Side Guards fitted, unless it can be demonstrated to the reasonable satisfaction of the Employer, that the Lorry will not perform the function, for which it was built, if Side Guards are fitted.
 - ii. Have a close proximity warning system fitted comprising of a front mounted, rear facing CCTV camera (or Fresnel Lens where this provides reliable alternative), a Close Proximity Sensor, an in-cab warning device (visual or audible) and an external warning device to make the road user in close proximity aware of the driver's planned manoeuvre.
 - iii. Have a Class VI Mirror
 - iv. Bear prominent signage on the rear of the vehicle to warn cyclists of the dangers of passing the vehicle on the inside.
- v) Any other relevant information with regard to traffic and transport.
- w) The Construction Management Plan should also include the following statement:-
"The agreed contents of the Construction Management Plan must be complied with unless otherwise agreed with the Council. The project manager shall work with the Council to review this Construction Management Plan if problems arise in relation to the construction of the Development. Any future revised plan must be approved by the Council and complied with thereafter."

It should be noted that any agreed Construction Management Plan does not prejudice further agreement that may be required for things such as road closures or hoarding licences

1. The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that this is crucial for the company's financial health and for providing reliable information to stakeholders.

2. The second part of the document outlines the specific procedures for recording transactions. It details the steps from identifying a transaction to entering it into the accounting system, ensuring that all necessary details are captured.

3. The third part of the document discusses the role of the accounting department in monitoring and controlling the company's financial performance. It highlights the importance of regular reviews and the use of financial ratios to assess the company's position.

4. The fourth part of the document addresses the challenges of managing financial data in a complex and rapidly changing environment. It suggests strategies for staying organized and up-to-date, such as using technology and maintaining clear communication channels.

5. The fifth part of the document concludes by summarizing the key points and reiterating the importance of a strong financial foundation for the company's long-term success.

PROPOSAL

DECISION

Change of use from business floorspace (Class B1) to residential (Class C3) to create 5 (1x1& 4x2 bed) flats; including erection of 4-storey closet wing and rear façade as replacement for existing, alterations to front façade and pavement vaults to provide refuse storage.

Drawing Nos: Location plan; P_02 A; P_03 A; P_04 A; P_05 A; P_06 A; P_07 A; P_08 A; P_10 A; P_11 A; P_12 A; P_13 A; P_14 A; P_15 A; P_16 A; P_17 A; P_18 A; P_19 A; Design & Access Statement; Daylight Report March 2014; Structural Feasibility Report, Job No: 142151, March 2014; Energy & Sustainable Statement, ref.1009237/-RPT-00001, March 2014.

The Council has considered your application and decided to grant permission subject to the conditions and informatives (if applicable) listed below **AND** subject to the successful conclusion of a Section 106 Legal Agreement.

The matter has been referred to the Council's Legal Department and you will be contacted shortly. If you wish to discuss the matter please contact **Aidan Brookes** in the Legal Department on **020 7 974 1947**.

Once the Legal Agreement has been concluded, the formal decision letter will be sent to you.

Condition(s) and Reason(s):

- 1 The development hereby permitted must be begun not later than the end of three years from the date of this permission.

Reason: In order to comply with the provisions of Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 All new external work shall be carried out in materials that resemble, as closely as possible, in colour and texture those of the existing building, unless otherwise specified in the approved application.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policy CS14 of the London Borough of Camden Local Development Framework Core Strategy and policy DP24 and DP25 of the London Borough of Camden Local Development Framework Development Policies.

- 3 The development hereby permitted shall be carried out in accordance with the following approved plans [Location plan; P_02 A; P_03 A; P_04 A; P_05 A; P_06 A; P_07 A; P_08 A; P_10 A; P_11 A; P_12 A; P_13 A; P_14 A; P_15 A; P_16 A; P_17 A; P_18 A; P_19 A; Design & Access Statement; Daylight Report March 2014; Structural Feasibility Report, Job No: 142151, March 2014; Energy & Sustainable Statement, ref.1009237/-RPT-00001, March 2014.]

Reason: For the avoidance of doubt and in the interest of proper planning.

- 4 The lifetime homes features and facilities, as indicated on the drawings and documents hereby approved shall be provided in their entirety prior to the first occupation of any of the new residential units.

Reason: To ensure that the internal layout of the building provides flexibility for the accessibility of future occupiers and their changing needs over time, in accordance with the requirements of policy CS6 of the London Borough of Camden Local Development Framework Core Strategy and policy DP6 of the London Borough of Camden Local Development Framework Development Policies.

- 5 Prior to the first occupation of any of the new residential units the whole of the waste storage and removal facilities shown on the approved drawings shall be provided. The whole of the waste storage and removal provision shall be permanently maintained and retained thereafter.

Reason: To ensure the development provides adequate waste storage and removal facilities and to safeguard the amenities of the adjoining premises and the area generally in accordance with the requirements of policies CS5 and CS18 of the London Borough of Camden Local Development Framework Core Strategy and

policy DP26 of the London Borough of Camden Local Development Framework Development Policies.

- 6 Prior to the first occupation of any new residential unit the whole of the cycle parking provision shown on the approved drawings shall be provided. The whole of the cycle parking provision shall be permanently retained and maintained thereafter.

Reason: To ensure the development provides adequate cycle parking facilities in accordance with the requirements of policy CS11 of the London Borough of Camden Local Development Framework Core Strategy and policy DP17 of the London Borough of Camden Local Development Framework Development Policies.

Informative(s):

- 1 Your proposals may be subject to control under the Building Regulations and/or the London Buildings Acts which cover aspects including fire and emergency escape, access and facilities for people with disabilities and sound insulation between dwellings. You are advised to consult the Council's Building Control Service, Camden Town Hall, Argyle Street WC1H 8EQ, (tel: 020-7974 6941).
- 2 Noise from demolition and construction works is subject to control under the Control of Pollution Act 1974. You must carry out any building works that can be heard at the boundary of the site only between 08.00 and 18.00 hours Monday to Friday and 08.00 to 13.00 on Saturday and not at all on Sundays and Public Holidays. You are advised to consult the Council's Compliance and Enforcement team [Regulatory Services], Camden Town Hall, Argyle Street, WC1H 8EQ (Tel. No. 020 7974 4444 or on the website <http://www.camden.gov.uk/ccm/content/contacts/council-contacts/environment/contact-the-environmental-health-team.en> or seek prior approval under Section 61 of the Act if you anticipate any difficulty in carrying out construction other than within the hours stated above.
- 3 The Mayor of London introduced a Community Infrastructure Levy (CIL) to help pay for Crossrail on 1st April 2012. Any permission granted after this time which adds more than 100sqm of new floorspace or a new dwelling will need to pay this CIL. It will be collected by Camden on behalf of the Mayor of London. Camden will be sending out liability notices setting out how much CIL will need to be paid if an affected planning application is implemented and who will be liable.

The proposed charge in Camden will be £50 per sqm on all uses except affordable housing, education, healthcare, and development by charities for their charitable purposes. You will be expected to advise us when planning permissions are implemented. Please use the forms at the link below to advise who will be paying the CIL and when the development is to commence. You can also access forms to allow you to provide us with more information which can be taken into account in your CIL calculation and to apply for relief from CIL.

<http://www.planningportal.gov.uk/planning/applications/howtoapply/whattosubmit/cil>

We will then issue a CIL demand notice setting out what monies needs to paid when and how to pay. Failure to notify Camden of the commencement of development will result in a surcharge of £2500 or 20% being added to the CIL payment. Other surcharges may also apply for failure to assume liability and late payment. Payments will also be subject to indexation in line with the construction costs index.

Please send CIL related documents or correspondence to CIL@Camden.gov.uk

- 4 Your attention is drawn to the fact that there is a separate legal agreement with the Council which relates to the development for which this permission is granted. Information/drawings relating to the discharge of matters covered by the Heads of Terms of the legal agreement should be marked for the attention of the Planning Obligations Officer, Sites Team, Camden Town Hall, Argyle Street, WC1H 8EQ.
- 5 If a revision to the postal address becomes necessary as a result of this development, application under Part 2 of the London Building Acts (Amendment) Act 1939 should be made to the Camden Contact Centre on Tel: 020 7974 4444 or Environment Department (Street Naming & Numbering) Camden Town Hall, Argyle Street, WC1H 8EQ.
- 6 You are reminded that this decision only grants permission for permanent residential accommodation (Class C3). Any alternative use of the residential units for temporary accommodation, i.e. for periods of less than 90 days for tourist or short term lets etc, would constitute a material change of use and would require a further grant of planning permission.

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraphs 186 and 187 of the National Planning Policy Framework.

Yours faithfully
