2014/6972/T	Ian Giles	166a Belsize Road	27/11/2014 01:01:23	COMMNT	As a tenant of the affected flat at the property I strongly endorse the removal of this tree. It has caused structural problems in our home since the start of our tenancy (over 4 years ago)-large recurring cracks leading to damp problems, difficulty in closing and locking the front door which has had to be replaced.
