2014/6788/P	Rumana Khan	Flat 11 Plender court Plender street London NW1 0DH	29/11/2014 17:50:31	COMMNT	I agree with this planning application. Work of this nature is long overdue on this property. I have lived here for several years, and every year winter reduces my family and I to tears. The flat is too cold, even with heating on 12+ per day. Windows are not properly fitted either, the wind blows through gaps. Walls are too cold to touch. My young family are reduced to wearing hats in bed. Windows needs to be looked at too.
