2014/6845/P	Adolfo Bronstein	7 Mackeson Road London NW3 2LU	30/11/2014 17:16:12	COMMEM AIL	I live 200 yards away from the RFH and I don't recall having been offered an opportunity to see the plans, discuss the options, hear hospital staff and neighbours view on this important matter. Can I ask for more time to see all the pros and cons and weigh up all the options. We may all regret building this new extension in one of the highest parts of London.
2014/6845/P	catalina bronstein	7 Mackeson road london NW3 2LU	30/11/2014 17:05:01	COMNOT	this proposal has been rushed through without proper discussion with neighbours and people living close to the Hospital. It seems a too big development for the area. There should be more time to consider the plans
