2014/6972/T	Mark Stevens	166a Belsize Road London NW64BJ	30/11/2014 23:44:01	SUPPEMAI L	As a fellow tenant of the affected flat I fully support the removal of this tree. it is sighted less than 2 metres from front of the property and is causing structural problems on an ongoing basis. It would seem that the first objection to the removal of this tree is misjudged-the tree referred to in this application is in the front garden not the rear, so in no way would comprise privacy of properties on Goldhurst Terrace.
