

Fascia - Deluxe

Examples more examples <https://picasaweb.google.com/signsnow5/FasciaSignsDELUXETrays#>

Description

Our premium fascia sign. These signs are made from highly durable aluminium composite 3mm thick and are suitable for long term interior or exterior use. They are folded on all four sides to form a "sign tray" with 50mm returns. These signs are installed with no visible face fixings. Aluminium rails are fastened to the wall top and bottom and the sign fits over the top of these. It is held in place by fixing down through and up through the top and bottom returns. The signs are available in a range of factory finished colours from below list and they have text and graphics as required. The signs are priced to minimise wastage so while they are available at exact sizes, if your required size falls between two then it is priced at the larger size as it will have to be cut from a larger sheet and the offcut will be recycled

Materials

Panels Premium quality WHITE satin finish aluminium composite as standard. Coloured and brushed silver from below list available as additional option. Larger signs are made of several panels so joints will be visible but we aim to make these as few as possible and position them sympathetically to the design.

Fixing rails 38mm x 3mm aluminium. Supplied with sign if not installed

Panel Colours

	White RAL 9016		Red RAL 3020		Ivory RAL 1015
	Black RAL 9005		Yellow RAL 1023		Silver RAL 9006
	Blue RAL 5002		Green RAL 6005		Brushed silver

Graphics

1 colour applied vinyl graphics as standard. 2nd colour and full colour graphics available as additional option. All signs are proofed within the price and amendments to artwork are FOC. We don't manufacture any signs until we have signed approval.

Life Span

Our materials and workmanship on this range of signs are guaranteed for a period of 7 years

Maintenance

No specific routine maintenance is required but periodic cleaning with water and mild detergent is recommended.

Add Ons

Standard colour panel. Choose another colour for the background from above list (excludes brushed silver)

Brushed stainless steel effect panel. Add a contemporary feel by using our brushed stainless steel effect panels

Second colour graphics. Additional cost if there are 2 colours on the sign

Full colour graphics. Make your sign stand out with the addition of full colour printed graphics (or if more than 2 colours req'd)

Overhead Light. Illuminate your sign for maximum impact. Black or white as standard but colours available as option.
