- 5 Where an advertisement is required under these Regulations to be removed, the site shall be left in a condition that does not endanger the public or impair visual amenity.

Reason: - As required by regulation 2(1) and Schedule 2 of the Town & Country Planning (Control of Advertisements) (England) Regulations 2007.

Informative(s):

- 1 Camden Planning Guidance (CPG1) clearly states that banner advertisements in some commercial areas may be considered a suitable form of display. Within conservation area and on or near listed buildings, concerns with safeguarding the amenity, character and appearance of these areas and buildings and therefore it is unlikely that such advertisements will be supported.

However, the banners being subordinate to the street furniture they are to be erected upon, they are considered to be appropriate in terms of size, design and location and would therefore conserve and enhance the character and appearance of the conservation area and adjacent listed buildings.

Steps have been taken to ensure that the chosen locations for the banners are not to interfere with the CCTV cameras in situ within Greville Street.

The proposal will not impact on the neighbours' amenity nor would it be harmful to either pedestrian or vehicular safety.

The site's planning history and relevant appeals have been taken into account when coming to this decision.

Special attention has been paid to the desirability of preserving or enhancing the character or appearance of the conservation area, under s.72 of the Listed Buildings and Conservation Areas Act 1990 as amended by the Enterprise and Regulatory Reform Act (ERR) 2013.

As such, the proposed development is in general accordance with policies CS5, CS14 and CS17 of the London Borough of Camden Local Development Framework Core Strategy, and policies DP24, DP25 and DP26 of the London Borough of Camden Local Development Framework Development Policies. The proposed development also accords with policies 7.4, 7.6 and 7.8 of the London Plan 2011; and paragraphs 14, 17, 56 -67, 126 -141 of the National Planning Policy Framework.

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraphs 186 and 187 of the National Planning Policy Framework.
