2014/6935/P	Steve Lofty	310 Olympic House 12 Somerford Grove Dalston	01/12/2014 14:26:07	COMMNT	I oppose this development given the impact it would have on one of the few truly traditional pubs in the area, which benefits greatly from its rear garden. The construction of a house here would decimate the pub and likely result in its closure.
