My enquiry is

Hi,

Hope all is well. I believe that an application is currently under review for the opening of a Wahaca Restaurant above the Kentish Town tube station, which may lead to the relocation of the "Fruit Bowl" food stand. Application ref 2104/6620/P; associated ref 2014/4357/PRE.

I would like to voice my support for the opening of a Wahaca in this space. I believe this restaurant would help support the economic growth of the neighbourhood and continued development of the high street. As a nearby neighbour living on Leighton Road, I strongly support opportunities to help improve the look and feel of this area beyond the status quo.

While a relocation of the Fruit Bowl stand is unfortunate, I believe this is an attractive trade off. I see opportunity for the Fruit Bowl to relocate to the underused canopy area at the corner of Kentish Town Road and Leighton Road, where the Fruit Bowl would add character to a space currently only used for a flower stand and coffee stand.

Please let me know if I can be of assistance as you move forward with this application.

My enquiry is Hello,

I understand by a recent article on The Kentishtowner that an application is currently under review for the opening of a Wahaca Restaurant above the Kentish Town tube station, which may lead to the relocation of the "Fruit Bowl" food stand. Application ref 2104/6620/P; associated ref 2014/4357/PRE.

I would like to voice my support for the measure; the restaurant would be a great addition to the highstreet and contribute favourably to its gentrification. In addition, the fruit stand would work perfectly in the canopy area, currently only partially occupied.

Please let me know if you would need me to voice this support through another channel.

Kind Regards,
Diego Actis
