02 December 2014

Dear Mr Thuaire

### **TOWN & COUNTRY PLANNING ACT 1990 (AS AMENDED) NATIONAL PLANNING POLICY FRAMEWORK 2012**

#### **Royal Free Hospital, Pond Street, London, NW3 2QG**

*Demolition of existing carpark and ancillary structures and erection of new 7 storey building, located on Heath Strange Garden site facing west to Hampstead Green footpath and Rosslyn Hill, containing 9620 sqm laboratory/research space for Institute for Immunity and Transplantation, a patient hotel, Royal Free Charity offices plus a replacement carpark of 58 spaces, replacement garden, plant and landscaping, all ancillary to Royal Free Hospital (Class C2*

#### **Recommend No Archaeological Requirement**

Thank you for your consultation dated 14 November 2014.

The Greater London Archaeological Advisory Service (GLAAS) provides archaeological advice to boroughs in accordance with the National Planning Policy Framework and GLAAS Charter.

Having considered the proposals with reference to information held in the Greater London Historic Environment Record and/or made available in connection with this application, I conclude that the proposal is unlikely to have a significant effect on

Correspondence or information which you send us may therefore become publicly available

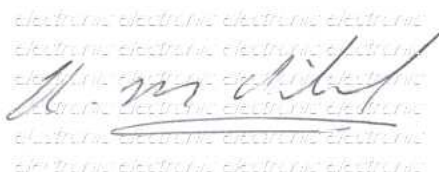

heritage assets of archaeological interest.

Although situated within an Archaeological Priority Area, the applicant's desk-based assessment indicates that there is little potential for significant remains to survive due to the scale of modern ground disturbance.

No further assessment or conditions are therefore necessary.

Please note that this response relates solely to archaeological considerations. If necessary my Historic Buildings and Areas colleagues should be consulted separately regarding statutory matters.

Yours sincerely
