Your comments on the planning application: I only object to the planning application if it is to turn the building into another cafe! we have enough of them on the high street with all the rubbish and mice it will occur. My other concern is the amount of traffic which will increase as there is no parking area at the back of the building if it was to be a clinical surgery (D1) not quite sure what is meant by that. The area where the flats are is busy enough with deliveries for McDonalds and Boots we don't want anymore noise with deliveries etc.
