3. Description of	of the Proposal						
•	·						
Please describe the proposed development including any change of use:  The client has approached Emrys Architects to convert her flat with the aim to create a more spacious flat and a higher quality living space. The flat in its current state has three bedrooms, toilet and bathroom on first floor level and the second floor level is split into an open plan living, dining, kitchen with access to loft space.  The design proposal rearranges the bedroom layout on first floor in order to add an ensuite bathroom to the master bedroom and a family bathroom. On second floor it is proposed to extend the kitchen into the terrace in order to have a richer relationship between this spaces and a bigger kitchen. A toilet is also proposed in the stair landing at this level.							
Has the building, work or change of use already started?  Yes No
