

12 Mansfield Place, NW3 1HS

Design Statement in support of retrospective planning application for garden trellis.

View of trellis

12 Mansfield Place, NW3 1HS is situated in the London Borough of Camden. Retrospective planning approval is sought for the timber trellis on the garden wall.

The treated softwood trellis is 500mm high (plus 25mm gap above the wall, so top of the trellis is 525mm above the top of the wall) Each bar is 35mm wide and the space between the bars is also 35mm.
