Hello,

We have 1 and soon 2 children studying in hhs. We dont want to see our children studying just close to this big building. It is a perfect school with a such nice area. It will be not a healthy life at all for children. They will not be safe at school. They will not go to the garden!!! It will be dirty, dusty, noisy!!! It is impossible to make this construction just near this big school!!

Help to protect school and children!

Regards

Alexandra gluzman
