Dear Mr.Thuarire,

I strongly object to all aspects of planning permission for this site.

Residents in my area has suffered with all that basement development , traffic and noise for the past six years, I have one next door to me, Hunters Lodge, infact there are four in our road and if the Royal Free site goes ahead, our area will be hell.We choose to live here in this conversation area , because we like the village feel with the Green and Heath near by, by building by St.Stephens, The Royal Free will loose all good relations with its neighbours and there will be more concern for subsidence to our properties.

Might I suggest that the Royal Free consider the massive underused car park with two empty portacabins in it on the Fleet Rd?Very underused.

Yours sincerely, Linda Grove
