Dear Mr Thuaire

I write to object to planning permission for the new Royal Free build.

As a parent of children at Hampstead Hill School I am concerned over the safety of the children at the school both now in the future, bearing in mind the 7 storey new build will overlook the children's playground directly.

I am also concerned over increased traffic levels. The roads are regularly congested throughout the day, and I expect this would be worse if the planned works to the hospital are permitted. Further, increase road traffic, increases in road accidents. This is an area with many schools and I have a genuine concern over the children's safety on the streets.

Yours sincerely

Best regards

Lee Cory
