**For The Attention Of: Josephine Shipley**

Dear Madam,

**Re: Bourne Estate, Verulam Street, Camden – Existing Public Sewer Abandoned**

Following further investigation work via a CCTV survey and slit trench it has been confirmed by my client Higgins Construction that the existing sewer in Verulam Street is abandoned.

We would therefore be very grateful if you could update your records and discharge planning condition 13. Please find enclosed our drawing C6475-CE7 revision A, which has now been approved by Thames Water under a Section 104 Agreement for your information.

If you have any questions, then please do not hesitate to contact us.

Yours faithfully,
