

I would like to comment on the above application as per the following address

Address:

Royal National Institute for the Blind

Academic House
24 Oval Road
London NW1 7DJ

I **object** to the Application re:

- (a) the intended height of the new extension on this listed building
- (b) as there will be a loss of light into an air well
- (c) there could be an impact of noise from the planned equipment into the air well.

Thank you
