*Proposal:* Minor material amendments to permission 2013/3880/P dated 20 December 2013 with regards to accessible terraces at 4th, 5th, 6th and 7th floor levels on Morwell Street

**Application for planning permission: 2014/6843/P**

8 December 2014

The Bloomsbury Association discussed these amendments with Exemplar and their development team prior to the application being submitted and we write to **Support** the proposal to include accessible terraces to the upper floors on Morwell Street. We feel that it will add a further layer of much needed articulation that will improve the architectural expression of the building.

We would be grateful if you would let us know of any further modification to the application; the decision, if it is to be decided under delegated powers, or the meeting date if it is to be decided by Committee.
