Your comments on the planning application

I strongly object the planning application, I have been working in the Canal Market for around 5 years, the Canal Market is my family's main source of business and income, with a big family of 6. If I lose my business it would break apart my family and I would not be able to provide for my children and give them the upbringing they need, because we are not able to receive any income support or benefit from the government as we are not British citizens. Please consider and take into account the serious consequences of accepting the planning request it would have on my family and many others who are in the same
