Dear Mr Fowler

Planning consultation: Variation of Condition 10 (visitor capacity, screen numbers, drinking food uses and accessibility to be submitted prior to commencement) granted under planning permission reference 2012/4628/P dated 23/01/13.

Location: Site at Hawley Wharf, Land bounded by Chalk Farm Road, Castlehaven Road, Hawley Road, Kentish Town Road and Regents Canal, London, NW1

Thank you for your consultation on the above dated 03 December 2014 which was received by Natural England on 03 December 2014.

Natural England is a non-departmental public body. Our statutory purpose is to ensure that the natural environment is conserved, enhanced, and managed for the benefit of present and future generations, thereby contributing to sustainable development.

Natural England currently has no comment to make on the variation of condition 10 - visitor capacity, screen numbers, drinking food uses and accessibility to be submitted prior to commencement.

Should the proposal be amended in a way which significantly affects its impact on the natural environment then, in accordance with Section 4 of the Natural Environment and Rural Communities Act 2006, Natural England should be consulted again. **Before sending us any further consultations regarding this development, please assess whether the changes proposed will materially affect any of the advice we have previously offered. If they are unlikely to do so, please do not re-consult us.**

Yours sincerely

Carys Coleman
Sustainable Development Consultation Team
