

## Improvements to Design December 2014 Scheme

### Massing:

- The taller block (Block C) has been reduced from 9 storeys to 8 storeys.
- Block B remains at 5 storeys but the parapet height has been reduced from datum 44.50m to 44.30m.

### Residential Content:

- The number of residential apartments has decreased from 62 to 53.
- This is due to a reduction in height of Block C and improvement of the employment space.
