Dear Mr McClue

**Notifications under Circular 01/2001, Circular 08/2009 &  
T&CP (Development Management Procedure) Order 2010  
18 GROVE TERRACE LONDON NW5 1PH  
Application No 2014/7024/P**

Thank you for your letter of 3 December 2014 notifying English Heritage of the application for planning permission relating to the above site. Our specialist staff have considered the information received and we do not wish to offer any comments on this occasion.

Please note that as this proposal involves material alteration to a grade II\* building an English Heritage authorisation is required before works can proceed, should permission be granted. We would therefore request that you formally consult us on the LBC application to enable us to issue this authorisation.

**Recommendation**

**This application should be determined in accordance with national and local policy guidance, and on the basis of your specialist conservation advice.**

It is not necessary for us to be consulted again on this application. However, if you would like further advice, please contact us to explain your request. We can then let you know if we are able to help further and agree a timetable with you.

In returning the application to you without comment, English Heritage stresses that it is not expressing any views on the merits of the proposals which are the subject of the application.

Please note that this response relates to historic building and historic area matters only. If there are any archaeological implications to the proposals it is recommended
