2014/1495/P	Colette Osborne for North Camden Housing Co-op	NCHC Unit 33 Bickerton House Bickerton Rd London N19 5JT	18/12/2014 13:55:45	COMMNT	As the owners of 13 Mansfield Rd we are very concerned about the planned over development of the neighbouring property and the impact on our tenants and our building. The planned building is large and too dominant. It will block light and outlook for our tenants. We have concerns about the planned large basement development. It is clear that the information that the applicant has provided is inadequate and a contravention of CPG4 and DP27. Proper investigation of the site has not been carried out. We are not content that these issues can be dealt with as a party wall matter. The proposed basement development extends for the full width of the site and will affect the foundations of our building. Any pilings or strengthening works will be noisy and disruptive for out tenants.
2014/1495/P	On behalf of Mrs Baybars	7 Maansfield Road London NW3 2JD	18/12/2014 17:10:33	COMMNT	Mrs Baybars of 7 Mansfield Road who does not use a computer has asked me to tell you that the depiction of her property at ground floor level is inaccurate. The passage way is not as long as is shown. The first 'externa'l store is fact an historic internal store occupying the whole space between the original side wall of no7 to the boundary.from the
