2014/6848/P	Jonathan Crown	4c Park End London NW3 2SE	08/12/2014 09:29:01	OBJ	<p>Dear Sir or Madam,</p> <p>I am the Tenant in Unit 3 (or C), 4 Park End, London NW3 2SE. Firstly, I would ask that you check whether the address for this Application is correct. If the address is not correct, this Application should be rejected.</p> <p>In any case I wish to very strongly Object to the change of use of the unit to Residential use.</p> <p>I have been the Tenant of this unit for 13 years. I have built up various businesses here over the years, and for the last 7 years this has been the base for Project Harar Ethiopia a UK Registered Charity.</p> <p>I employ between five and eight people here, thus providing vital employment to the Borough. I have plans to expand and have just taken another unit downstairs too.</p> <p>I am facing eviction if the unit becomes Residential.</p> <p>I believe that I would have to take the Charity out of Borough if I am evicted.</p> <p>Despite the Government Policy of allowing Offices to change use to Residential fairly easily, I believe that this is contrary to Camden Council's wishes as it eradicates employment from traditional areas where the Council would prefer it.</p> <p>I would therefore hope that the Council would back me and reject this Application out of hand.</p> <p>Yours faithfully,</p> <p>Jonathan Crown</p>
