2014/6871/P	Mrs Caroline Nupen	8 Lower Merton Rise	08/12/2014 17:41:24	OBJ	<p>My only objection to the above planning application is the doors - instead of windows - opening onto the balcony at the rear of the property on the first floor level (and second floor, if that is intended). My garden is next door to 32 Elliott Square and it would invade my privacy to be overlooked so directly. I draw the Council's attention to the fact that there was a Residents' Association meeting in the local church to discuss and agree the style of windows and doors. It was not agreed to have doors on the 1st and 2nd floor levels. Please contact Howard Goldsobel (Chairman of the RA), with whom I know the Council has been in contact in the past.</p>
