Your comments on the planning application

I wish to object for the following reasons.

1. This is not a simple garden room. It is a large building of breezeblock, rendered, with a chimney. It has been excavated underneath the building. It is well lit with and expensive looking glass frontage.
2. It covers approximately one-third of the garden and looks too large for the garden as it extends significantly above the garden wall.
3. The building is not in keeping with the conservation area. Too large.
4. No other garden in the street has such a large building
