Dear Sirs,  
Received request for comments on the above application.  
Hampstead CAAC considered this and comments as follows:  
We query the apparently incomplete description of this application.  
We object to the obliteration of original features of the exterior by the proposed new lift shaft.  
We are not convinced by the statement of intention to reinstate original features as the proposed lift shaft destroys part of the original design.  
This proposal would be visible from the street so we ask for refusal and re-design.  
Esi Cakmakcioglu; Nancy Mayo; Patricia Orwell; Andrew Dutton-Parrish; John Malet-Bates.

Regards,
