2014/7159/P	Stephen Williams for and on behalf of Netherhall Neighbourhood Association	Little House A 16A Maresfield Gardens	18/12/2014 16:01:25	OBJ	The existing curved brick archway and curved canopy seen from the street echo the curved brickwork arch above the main entrance door to No 23 and form a whole. No 23 is part of a group of properties along Maresfield Gardens which form a complementary whole combining to form an important element of this part of the Conservation Area Removal of the original brick arch and canopy and replacement with a higher square lintol head and horizontal canopy would disturb this composition in Maresfield Gardens. Any disturbance to the frontage of part of this grouping would harm the Conservation Area and cannot be considered a minor alteration.
