2014/7348/P	adam forster	9 hartland road london nw1 8db nw1 8db	29/12/2014 15:43:52	SUPC	I agree with the proposed application because it would enable us to level off (continue the flat roof to the party wall) the 1st floor extension in our property, by building off the proposed raised 9" party wall. I would like to add that all front, or facing brickwork consist of second stocks to follow in line with the existing brickwork in neighbouring & surrounding properties
