2014/7416/P	Margaret Beveridge	Gabrielle Court 1 Lancaster Grove London NW3 4EU	27/12/2014 17:25:18	COMMEMP ER	No 5 Lancaster Grove is currently an eyesore on this Edwardian Street and this application is an opportunity to improve the environment. I note, however, that the developer only proposes to redecorate the building and basically keep the existing window frame design but with double glazing. The roof is a mess and there is an ugly extension. I am not sure if the roof extension was ever given planning permission but hopefully the roof can be returned to its existing design.
