2014/7437/P	Phil Peters	9 Gayton Road Hampstead NW3 1TX	11/12/2014 15:12:35	SUPPRT	<p>I live in one of the neighbouring houses (number 9) and do hope that the Council will support this application. London in general, and Hampstead in particular, needs more residential accommodation.</p> <p>Also, I do hope that the Heath and Hampstead Society will not object. Please note I am a member of this society and support its broad aims. I noticed that they recently objected to the application for a roof extension at 53 Gayton Road. This was in spite of the fact that nobody in Gayton Road itself objected!. The letter that was written by Heath and Hampstead Society, in respect of number 53, did not identify any single individual or committee. May I therefore ask the Council to ask the Heath and Hampstead Society to identify the author of any letters they may choose to write with respect to this application.</p>
