2014/7624/T	Amanda L Fernando	50 Hillfield Road	15/12/2014 13:23:20	OBJEMPER	There is no clear reason or documents to support why both Horse Chestnut trees have to be felled to the ground. These are striking trees that are very much part of Mill Lane. I request that the smaller tree already pollarded is felled to the ground and the other tree maintained and pollarded, rather than lose two magnificent healthy trees.
