2014/7651/P	Lucy Money and Michael Castro	22b Ariel Road London NW6 2DY	27/12/2014 18:22:13	OBJ	<p>The 11 storey Block B building is simply too large. Our house will be overlooked and at that height, as it will be on average 9 storeys higher than any other building in the near vicinity, will be visible from every angle and will set a bad precedent for future building projects. The building is in short to high and will be out of charter for the area.</p> <p>The remainder of the scheme we agree with and will improve the area, but it is just this Block B</p>
