2014/7670/P	Anthony Dunne	2 Castle place London NW1 8PS	20/12/2014 10:21:26	COMMNT	We have concerns about the large trees which have not had any attention to them over a number of years to the rear of this property. We have an issue with access when the site is been built as accesss will be either from the street or to the rear of our estate which may cause issues to residents.
