2014/7411/P	A Reilly	137 Arlington Road nw1 7et	02/01/2015 13:15:03	OBJ	The increased height of the building, as a consequence of the installation of a dormer window, is intrusive and negatively impacts upon the outlook from my property. My neighbour is aware of my views above, since I expressed these directly to him during the installation phase.
