2014/7649/P	Kate Shaughnessy	Lower Flat 20 Kylemore Road London NW6 2PT	02/01/2015 13:28:31	OBJ	<p>The light industrial works that were on this site have been closed and given no chance to relocate in the area.</p> <p>There is so little social housing proposed as to be non-existent which continues the culture for overseas and wealthy buyers and renters in this borough which is expressly counter Camden's own guidelines.</p> <p>Key workers cannot live in this city and therefore cannot work in this city which has a serious knock on effect on our schools, hospitals and police services.</p>
