Your comments on the planning application
Although I do not wish to object formally to this application, as I understand it to fall within the "permitted development" guidelines, and I also wish to maintain a good relationship with my neighbours, I am concerned about loss of light to two rooms in my property. I would have taken professional advice on this issue before submitting comments, but have been unable to do so as your letter dated 11 December did not reach me until 16 December and the remainder of the consultation period coincided with the Christmas/New Year holidays when I was away from home. Loss of light is still therefore an important issue for me. If planning permission
