**3. Description of Proposed Works**

Please describe details of the proposed development or works including details of proposals to alter, extend or demolish the listed building(s):

The proposal is for the reinstatement of the timber bridge connecting the Provender Store to the Tack Room at first floor level. In place of the existing window on the Provender Store west elevation, which was subsequently reduced once the bridge was removed, there will be a new framed ledged and braced timber double door that leads onto the bridge. The existing loading door in the Tack Room, currently not in use, will also be replaced by a new framed ledged and braced timber double door. Further to this proposal, there is a small contemporary window adjacent to the existing window in the Provender Store west elevation. This will be replaced with a traditional timber framed two light casement window.

Has the development or work(s) already started?  Yes  No
