

The contractor is responsible to ensure that no products are to be subject that do not comply with relevant British and/or European Standards, subject to approval of the local Council, County, Regional, and/or country authority to be determined to quality and safety or to the durability of the work or not.

The contractor is responsible to ensure that the drawings, specifications, materials, methods and equipment, shall be used in accordance with the drawings, specifications, materials, methods and equipment. This drawing is to be used in conjunction with all relevant contracts or specialist drawings. Any order or shop drawings to Bailey Garner LLP and included drawings provided with the works.

Where we have to cover by drawings to different scales, the larger scale drawing is to be worked to.

Do not scale drawings. Figure dimensions to be worked to in all cases.

This drawing and the copyright and patents therein are the property of Bailey Garner LLP and may not be used or reproduced without consent or authorisation.
