

3D model created to set up views from
either end of Parker Street

**P636 - 40-42 Parker Street
London, WC2B 5PQ**

VIEW - 1

The view depicted is from standing at the junction of Newton Street and Parker Street, but on the far side of Newton Street. The proposed roof extensions are just visible above the building line of the property adjacent to 40-42 Parker Street. The grey drawn lines are diagrammatic of what is hidden behind this building adjacent.
